

## **Tartine et cuisine!**

### **Cœur de Brie & Cœur de Saint-Damase**

Made from melted Brie cheese with the rich, smooth texture and typical mushroom and cream flavours found in the centre of a perfectly matured Brie cheese.

### **Enjoy**

#### ***As a spread***

Its smooth melting texture and delicate aromas dictate a simple and delightful use in your meals: as a spread for your appetizers and in your lunch box.

#### ***In your dishes***

It becomes abundantly clear the first time you taste it: what a natural to make the perfect cheese.
